2020 Application for House of Forbes Membership

You must be an Active Member before you apply for your House of Forbes Membership. The Active Membership is annual, unless you choose to become a Patron Member. You must be able to trace your lineage to a Forbes listed in the book House of Forbes (1937) which is available in the Clan Forbes Resource Library. See https://www.clan-forbes.org/library. You may also want to hire the services of a professional genealogist, many of whom are listed on the Association of Professional Genealogist (APG) website at www.apgen.org. Many APG specialize in "Scottish Clans" which is one of the selections in the drop-down menu when you click on "Search by Research Specialty." Contact membership@clan-forbes.org for more information.
